Interactive Maps of Service Providers in the Cincinnati, OH Region

https://www.ucucedd.org/resource/

DDBP social workers have created three interactive maps:

- 1. Mental Health/ Behavior Therapy/Psychology Evaluation Services <u>https://www.zeemaps.com/map?group=3466239</u>
- 2. Applied Behavior Analysis (ABA) Providers https://www.zeemaps.com/map?group=3563300
- 3. Allied Health Services in the community <u>https://www.zeemaps.com/map?group=3554134#</u>

DDBP social workers have been in contact with all of these providers and have been able to obtain information about the agency and providers.

Once in the map please put your address in the "Go to" box. Zoom out (minus button) until you begin to see red and blue markers. A red marker means the agency accepts Medicaid. That agency may also accept private insurance. Blue Markers means the agency accepts only private insurance. White markers are providers who are self-pay.

If you have any additional questions or concerns regarding accessing counseling services for your child please contact DDBP social work at 513-803-7949 or <u>DDBP_Social_Work@cchmc.org</u>
