Family

April 11

5:30pm-7:00pm

When Caregivers are at Their Wits End: Preventing Tragedies of Homicide & Suicide

An intentional conversation about:

- Suicide and homicide prevention strategies,
- Safety planning, and
- The power of peer support, because relationships save lives!

Professional

April 15

12pm-1:30pm

This session will be offered twice, one centered around families and the other for professionals.

April 18

10:30am-12pm

Family Engagement: The Key to Resilience

Practical strategies to buffer trauma, anxiety, and challenging behavior. Crisis support resources and debrief action plans provided.

April 28

10:30am-12pm

Preventing Emergencies in the Home: Elopement

Addressing running, escaping, and wandering through prevention strategies and technology.

May 3

1pm-2:30pm

Alert & Aware: 30 Seconds is All it Takes

Prevention of abuse, neglect, and accidental harm from providers and caregivers. Demystifying Major Unusual Incident (MUI) reports. Review of preventative resources, monitoring and technology supports.

Free virtual catalogue of safety resources & access to all recorded sessions for all registrants.

*Safety is too important so **all registration fees have been waived!** Join us live or on-demand!
